Services

- ✓ Baseboard & Radiator Venting

TUNE-UP

Your heating equipment will be tuned up annually to ensure optimum performance. This service will include:

- Test and adjust oil burner for maximum efficiency!
- Inspect combustion chamber
- Clean and check electrodes and nozzle assembly
- Install air filter; oil filter cartridge and burner nozzle as needed
- Oil all motors, fans, and circulators
- Clean and inspect flue pipe, including chimney base (where accessible)
- Perform safety check on all operating controls

General Terms and Conditions

- 1) Porco Energy Corp. must supply all fuel oil and all heating system services. This agreement will be terminated if the customer no longer purchases all of their heating oil from Porco Energy Corp.
- 2) Customers must be on Automatic Delivery service to be eligible for any service agreement
- 3) Emergency Service constitutes, No heat, Serious fuel leak or major water leak from heating system, and any dangerous situation
- 4) Emergency Service is provided 24 hours per day, 7 days a week, including holidays.
- 5) All regular service will be provided Monday through Friday, 8:00 a.m. until 4:00 p.m. If non-emergency service calls are made outside of regular business hours, the customer will be charged the prevailing rates at Porco Energy Corp.
- 6) This agreement shall cover a period of one year. It will automatically renew each year unless we are notified 30 days in advance of renewal date.
- 7) Labor is covered only for repair and replacement of listed parts and services.
- 8) Service agreements are not transferable or refundable
- 9) This agreement does not cover parts or labor when failure is due to:
 - a) Lack of oil when delivery has been delayed due to payment delinquency
 - b) Customer leaving emergency switch in "off" position
 - c) Customer setting thermostat too low to call for heat
 - d) Oil valves turned off
 - e) Failure to maintain proper water level in boilers
 - f) Abuse of equipment
 - g) Improper "do it yourself" work by customer
 - h) Wood/Oil or Coal/Oil combination units
- 10) This service agreement does not cover repair or replacement of obsolete parts, which are not available through normal supply sources.
- 11) This agreement does not cover acts of God, flood damage, fire, war, hurricanes or other storms, power loss, power surges, or other causes beyond the control of Porco Energy Corp.
- 12) This agreement does not cover replacement of complete boiler, furnace or water heater, frozen/jelled oil lines or frozen water lines or any other parts or services not mentioned in the agreement.
- 13) Porco Energy Corp. reserves the right to reject any service agreement. Service Agreement becomes effective after our inspection and approval of customers heating system and tank. Any repairs required prior to coverage must be paid for in full at our normal rates.
- 14) Porco Energy Corp. is not responsible for loss of heat or any damage resulting from a freeze-up in occupied or unoccupied dwellings. It is the customer's sole responsibility to arrange for a daily house check.
- 15) Porco Energy Corp. shall not be held liable for any incidental or consequential damages incurred by customer
- 16) All invoices must be paid within credit terms or this agreement will be canceled without refund.
- 17) This agreement updates and supercedes all previous agreements and is effective June 1, 2006.

Water Heater Program

Plan covers oil burner parts, aquastat, controls, and emergency switch.

The hot water tank is excluded.

This plan must be purchased in conjunction with either the COMFORT PLAN or the WORRY FREE PLAN and maintenance is to be performed at the same time as heating system annual maintenance.
